CERTIFICADO DE FINALIZACIÓN

Principios SOLID y Clean Code

Instructores **Fernando Herrera**

Kevin Ariza Nuñez

Fecha **3 de Enero de 2023**
Duración **6.5 horas en total**

Networking Academy
CISCO

Python INSTITUTE PI

Statement of Achievement

Kevin Ariza Nuñez

has successfully achieved student level credential for completing the Python Essentials 1 course, provided by Cisco Networking Academy in collaboration with OpenEDG Python Institute.

The graduate is able to proficiently:

- Design, develop, debug, execute, and refactor simple computer programs written in Python 3.
- Think algorithmically to analyze problems and implement them as computer processes.
- Use the syntax, semantics, and the most important elements of the Python Standard Library to write Python scripts and resolve typical implementation challenges.
- Understand the role of a programmer in the software development process.
- Attempt the qualification PCEP – Certified Entry-Level Python Programmer from OpenEDG Python Institute and continue their professional development at an intermediate level with Python Essentials 2.
